Hertz is thanking customers with a free car class upgrade and a chance to win free rental days

ESTERO, Fla., Oct. 14, 2020 /PRNewswire/ -- [Hertz](#) today announced that for the second consecutive year it has earned the No. 1 overall ranking for Customer Satisfaction in the [J.D. Power](#) 2020 North America Rental Car Satisfaction Study, which surveys leisure and business customers. Hertz also received top honors in the following categories: reservation process, pick-up process and rental car, which includes satisfaction with the overall vehicle and its cleanliness.

"From the beginning of their journey to the end, our customers' satisfaction is the heartbeat of everything we do," said Hertz President and CEO Paul Stone. "While the rental car and overall travel industry has faced challenges during the pandemic, I'm grateful to our employees for taking great care of our customers and implementing our enhanced measures that enabled us to continue providing a safe, fast and easy rental experience."

As traveler needs shifted amid the pandemic, Hertz quickly adapted to meet customer expectations. The car rental brand raised the bar on its already high standards for safety and cleanliness by introducing the [Hertz Gold Standard Clean](#) seal. Each vehicle is sealed immediately following a rigorous 15-point cleaning and sanitization process that follows U.S. Centers for Disease Control and Prevention (CDC) guidelines. This is a first-of-its-kind practice in the car rental industry.

To further help customers travel safely and confidently, Hertz launched new capabilities within its mobile app this year to facilitate a touchless rental experience by enabling them to select and purchase more products and services digitally. These enhancements complement the low-touch and touchless solutions that Hertz offers through its Hertz Gold Plus Rewards loyalty program. Gold Plus Rewards members can minimize or eliminate personal contact by skipping the counter at many airports and going straight to their car. When they return, members can drop off their car and go with Hertz's eReceipt and Express Return service. [Hertz Gold Plus Rewards](#) is free to join and benefits are immediately available.

To celebrate its second consecutive J.D. Power No. 1 ranking and thank its customers, Hertz is offering a free car class upgrade for a limited time. Additionally, through December 31, 2020, Hertz will award a free two-day rental to five customers each week who share their positive Hertz experience on social media with a written story, photo or video using #1Hertz.
